***The Biggest and Brightest Light:  
A True Story of the Heart***

This book, geared to children of all ages, is a warm and fuzzy tale that gives children and adults a real understanding of the joy of giving to others. No matter how old you are, you are old enough to make a difference in someone's life. The story is about 6-year-old Amanda Perlyn's compassion for her teacher during a difficult time and how Amanda learned that helping others gave her the best feeling that she had ever, *ever* had! Read the moving foreword by Muhammad Ali.

"An education beyond the classroom that emphasizes the concept of helping others and a quintessential example of service to others... a must read for every child, parent, and educator in America!"

Art Johnson, Ph.D., Superintendent, Palm Beach School District
